

**ASSEMBLY BILL**

**No. 2653**

---

**Introduced by Assembly Member Linder**

February 21, 2014

---

An act to amend Section 163 of the Streets and Highways Code, relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

AB 2653, as introduced, Linder. Transportation funds.

Existing law establishes a policy for expenditure of certain state and federal funds available to the state for transportation purposes. Under this policy, the Department of Transportation and the California Transportation Commission are required to develop a fund estimate of available funds for purposes of adopting the state transportation improvement program, which is a listing of capital improvement projects. Existing law requires the estimate of annual expenditures for local assistance to be the amount required to fund local assistance programs required by state or federal law or regulations.

This bill would make a nonsubstantive change to this provision.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
